Term	Definition
consent	Freely given, specific, informed, and unambiguous indication of a data subject's requests, by which he or she signifies agreement to the processing of personal data relating to him or her
data privacy	The relationship between the collection and dissemination of data, technology, the public expectation of privacy, and the legal and political issues surrounding them
personal data	Any information relating to an identifiable natural person, such as a name, an identification number, or one or more factors specific to the identity of that person
processing	Any operation performed on personal data, such as collection, storage, alteration, retrieval, erasure, or destruction
regulation	A rule made and maintained by an authority across the European Union (EU)
